The original declaration listed the inventors without regard to the degree of their respective contributions. An order that appropriately recognizes their contributions and which Applicants request to appear in any patent that issues from the above-referenced application is as follows:

Robert Nadon

Peter Ramm

RECEIVED

FEB 15 2002

TECH CENTER 1600/2900

This is the order that the inventors' names should have appeared in the oath that was originally submitted in this application but was not realized at the time that the declaration was prepared because the initial contact for this application was not, in fact, the principal contributor to the claimed invention.

A check for the petition fee accompanies the petition.

Respectfully submitted,

Dated: February 6, 2002
